planning of future parks, playgrounds and open space areas in the Township, maintenance and development of parks, equipment and facilities, and park events including Township Day. Please Keep Fire Hydrants Clear – Please remember to shovel out around fire hydrants after each snowfall. It is very important for residents and business people to keep hydrants

clear of snow and visible from the street. Precious time may be lost if a hydrant cannot be found immediately. The house you help save may be your own.
