

WHITE BEAR TOWNSHIP

1858 RAMSEY COUNTY MINNESOTA

News & Views

A bi-weekly section where readers will be informed on subjects of seasonal interest, upcoming events and other timely topics.

ANNUAL TOWN MEETING
MARCH 10th, 7 PM - Otter Lake Elementary School, 1401 County Road H-2. Your voice will be heard as residents in attendance will **Approve** by

Vote the Town's 2016 preliminary tax levy and will receive updates on Town utility rates and other projects such as the old Town Hall and Polar Lakes Park improvements and will hear comments from other public officials in attendance.

CHANGING SEWER RATES - Effective with the bill you will be receiving shortly, the portion of your utility bill regarding sewer fees is now being calculated based on your winter water consumption.

COMPOST BINS & RAIN BARRELS AVAILABLE FOR PURCHASE - Recycling Association of Minnesota, is offering on-line pre-purchase of compost

bins (\$55) and rain barrels (\$69). The first 300 Ramsey County residents to place an on-line order for a compost bin will receive a \$15 discount. Visit www.recycleminnesota.org or www.RamseyAtoZ.com for more information on this offer.

WATER CONSERVATION TIPS THAT WILL HELP REDUCE YOUR USE AND HELP YOUR POCKET-BOOK -

- Turn faucet off when brushing teeth and shaving. Letting the water run can waste up to 2-3 gallons per minute.
- A slow drip can waste from 15-20 gallons of water a day and just one drop a second from a leaking faucet can waste 60 gallons of hot water a week.
- Upgrade to a new high efficiency toilet it uses only 1.6 gallons per flush, older models use 4-7 gallons per flush.
- Keep a jug of chilled water in the refrigerator.

For more information on water conservation please visit the Township's website, www.ci.white-bear-township.mn.us click on the Department tab - Utilities
