

WINTER PARKING RESTRICTIONS BEGINNING NOVEMBER 1ST – No vehicle may park on any road or street in the Township between the hours of 2 a.m. & 6 a.m., from November 1st through April 1st, or any time after a snowfall of one or more inches, until the road is cleared curb to curb.

YOUR CHILD’S HALLOWEEN COSTUME CHECK LIST:

- The costume is short & snug, big capes & puffy skirts can trip you up & catch fire if they brush against jack-o-lanterns or candle flames
- The shoes fit – big floppy clown-type shoes can cause a tripping hazard
- The costume props are flexible – make sure swords, knives, are flexible in case your child would fall on them
- Are the eyeholes in their mask wide enough?
- Can drivers see their costume in the dark?
- Verify your child will not be out alone if they are under 13
- Remind your child to only cross at crosswalks & intersections
- Remind your child to not eat any candy until you have checked it first.

DAYLIGHT SAVINGS TIME IS COMING TO AN END SO FALL BACK

- With November 1st at 2:00 a.m. marking the end of daylight savings time don’t forget to set your clocks back 1 hour, and it’s also a good time to change the batteries in your smoke detectors & carbon monoxide detectors.

CURRENT CRIME TRENDS – Unlocked service doors & open garage doors are how thieves are making entry into garages & stealing valuables. Thieves are also still finding unlocked cars parked overnight in driveways stocked with electronics & cash for easy stealing.

- **Hide It** – don’t leave items where thieves can see them.
- **Close It** - close doors & windows
- **Lock It** – lock doors & windows
- **Light it** – park in well-lit areas & have good lighting around your home

These steps should be taken every time you leave your vehicle and before you call it a day at home.

Remember If You See Something – Say Something, Call 9-1-1
