1858 RAMSEY COUNTY MINNESOTA

News & Views

A bi-weekly section where readers will be informed on subjects of seasonal interest, upcoming events and other timely topics.

ANNUAL TOWN MEETING TUESDAY, MARCH 8TH @ 7:00 P.M. – Otter Lake Elementary School, 1401 County Road

H-2. Your voice will be heard as residents in attendance will Approve by Vote the Town's 2017 Preliminary tax levy and will receive updates on Township activities, and will hear comments from other public officials in attendance.

Township's Popular Report Receives Award from the Government Finance Officers Association (GFOA) - The GFOA's Popular Annual

Financial Reporting Program recognizes state and local governments that produce high-quality popular annual financial reports, using information from their comprehensive annual financial reports. These reports are specifically designed to be readily accessible and easily understandable to the general public. The Township's 2014 popular report, which was mailed to residents in the utility bill last fall was awarded GFOA's Popular Report Award. The Township is now one of ten government entities in the State of Minnesota to receive this award and one of eight government entities in the State to receive all three financial awards from GFOA. For copy of the report or more information visit the Town's website at www.ci.white-bear-township.mn.us

or call finance officer Tom Kelly at 651- 747-2760.

THE DATE IS SET, THE 9th ANNUAL TOWNSHIP DAY WILL BE HELD ON SATURDAY, SEPTEMBER 10, 2016 – Applications are now being accepted for vendors and sponsorships. The event will be from 2-8 p.m. and includes live music & free entertainment, family events, food vendors,

and fireworks. Information can be found on the Township's website.

DON'T RECYCLE PLASTIC BAGS AT THE CURB – Because plastic

bags have been getting stuck in the sorting machines, Republic Services, the Town's waste & recycling hauler, is asking residents to NOT place them in the recycling containers. Several retailers in the area, including Cub & Kowalski's, offer free drop-off for plastic bags. For location information go to PlasticFilmRecycling.org or call 651-633-EASY (3279).

TIP OF THE MONTH – Monitor your utility bills for any spikes in usage. Both your quarterly bill & water meter are tools

that can help you uncover hidden leaks in your home.
