SEALCOATING OF STREETS

TO BEGIN – As soon as July 11th, selected streets in the Township will be sealcoated. If you see temporary “NO PARKING” signs on your

street one night that means your street will be sealcoated the next day, weather permitting of course & the process will take approximately one week. Sealcoating is a cost effective preventive maintenance practice which extends the life of your street. Allied Blacktop Company is the contractor & they will be working from 7:00 am to 9:00 pm. After the street is open to traffic, please use extreme caution when stopping, starting or backing out of your driveway. Turning the steering wheel while stopped will cause damage to the new surface during its curing stage. Please check the Township’s website for a complete list of streets to be sealcoated.

list of other parks in the County hosting this event is available at www.RamseyCountySheriff.us.

WANT YOUR CHILDREN TO LEARN TO BIKE SAFELY – HERE IS YOUR CHANCE!

– On July 12 from 10 am – 2 pm Island Lake Park, 3611 North Victoria Street, Shoreview will be hosting the Ramsey County Sheriff’s Office Bike Rodeo. The rodeo has 4 components/stations: equipment check; safety instruction; rules of the road; & a skills course. It will take about 45-60 minutes to complete all training & sessions start on the hour. This event is geared toward children, but adult riders are welcome to participate in the training too! The Sheriff’s food trailer will be on site serving **FREE** hot dogs, chips, water & frozen pops. Squads, boats & equipment will be on display also. Advance registration is appreciated. MONDAY, JULY 11TH –

POLAR LAKES PARK 5:00 – 7:00 – Ramsey County Sheriff’s staff will be on hand with a

variety of squads & equipment to interact with & get to know the residents in the neighborhood. Utilizing a restored food trailer, once used by the Salvation Army, hot dogs, chips, bottled water & frozen fun pops will be served **FREE** of charge. A

Washing your bike or car with a bucket & sponge instead of a hose saves a lot of water. A hose can waste 6 gallons per minute if you leave it running, but using a bucket & sponge only uses a few gallons!
