PERMIT REMINDER - If you are thinking of installing or repairing a fence or a driveway, a permit is required. Contact the Township Offices for more details.

NEW OUTDOOR WARNING SIRENS INSTALLED – White Bear Township & Ramsey County Emergency Management & Homeland Security have jointly cooperated to provide for the

installation of new outdoor warning systems around the County. The current system has become obsolete. Three of the four Township sirens are operational at this time. The new more localized system will allow the sirens to sound only in the areas where there is a threat, not throughout the entire Ramsey County area. As always these sirens are not meant to be heard inside. The purpose of the sirens is to encourage people to find a safe place if they are outdoors.

HYDRANT FLUSHING TO BEGIN – Within the next few weeks White Bear Township's Public Works Department will begin to flush hydrants & water mains throughout the Township. Some residents may experience discoloration in the

water during this time & are advised to open their lowest level faucet for 15-20 minutes to clear the line. It is not advisable to wash clothes if the water is discolored.
