TOWNSHIP'S ODD/EVEN 6:00 TO 10:00 SPRINKLING REGULATIONS UNCHANGED FOR 2018

During the recent Legislative Session a bill was

drafted by Legislators & signed by the Governor which suspends for one year the residential irrigation ban imposed as a result of the White Bear Lake Level lawsuit. With the irrigation ban lifted for one-year, the Township's odd/even sprinkling regulations remain in effect 6:00 – 10:00 a.m. & 6:00 – 10:00 p.m. odd numbered houses odd days/even numbered houses even days. If you plant seed or lay new sod a two-week daily watering schedule may be granted by the Town by calling the Township offices.

As always, the Township strongly encourages all forms of water conservation & continues its commitment to sharing water conservation practices.

HELP KEEP OUR WATERS CLEAN

Our lakes, rivers, streams, groundwater & wetlands are some of our most valuable natural resources.

White Bear Township is committed to protecting these natural resources for

future generations & you can help. You should never allow the following to be poured or dumped into the street or storm sewer or body of water:

- auto & household chemicals
- vehicle leaks
- grass clippings & leaves
- pet waste
- construction site sediment
- laundry & car wash water
- chlorinated pool water

Storm sewer systems are not designed to filter out or remove most pollutants, so dumping of pollutants ultimately ends up in our natural waters. Let's be part of the solution!
