**MINUTES
PUBLIC SAFETY COMMISSION MEETING
MAY 3, 2018**

The meeting was called to order at 6:00 p.m.

Present: Anderson, Brueckner, Griffin, LeBlanc, Lee, Linn, Pozzini-Stedman, Timmers;
Town Board Liaison: Prudhon; Staff Liaison: Short; Ramsey County Deputy, Mike Servatka.

APPROVAL OF AGENDA (Additions/Deletions): LeBlanc moved approval of the agenda as submitted. Brueckner seconded. Ayes all.

APPROVAL OF APRIL 5, 2018 MINUTES: LeBlanc moved approval of the April 5, 2018 Minutes. Timmers seconded. Ayes all.

CONSENT AGENDA: Brueckner moved approval of the Consent Agenda as follows: 4A) Receive Animal Control Reports; 4B) Receive Ramsey County Sheriff's Reports; 4C) Receive Sheriff's Contract Group Minutes; 4D) Receive White Bear Lake Fire Department Report. Linn seconded. Ayes all.

COMMISSIONER'S REPORT: Bald Eagle Trail: The people around the lake would like to have a trial on West Bald Eagle Boulevard which would include two-way traffic, reduce traffic lanes to 10 feet, reduce speed to 25 mph, and to have equal shoulder width on both sides of the road. There are standards to measure what traffic speeds are safe. However, Ramsey County proposes to do a mill and overlay of West Bald Eagle Boulevard from Bald Eagle Avenue to County Road J in 2019. At this point plans include restriping the driving lanes to 10' widths (currently 11') and provide some limited widening of the shoulder where feasible.

TOWNSHIP DAY PARTICIPATION: The Park Board is enthusiastic about the Public Safety Commission participating in the Township Day event by providing a bike for auction. It was noted that Erik's Bike Shop did not provide a discount for the bike purchase last year and suggested that other vendors be looked at. The Clerk will provide a recommendation for a bike at the next meeting.

RENTAL HOUSING IN WBT – CONTINUE DISCUSSION: The Township does not have apartments or mobile home parks, however, there are about 200 single family homes and townhomes which are rentals. Of those, five are currently problem properties. One property has frequent police calls. It was noted that problems with renters should lie with the landlords. There was discussion how the Township can provide assistance to the landlords regarding handling problem renters. There are a few rental properties where calls for service from the Sheriff's Office are frequent.

Deputy Mike Servatka provided information on Crime Free Multi-Housing, prepared by the Minnesota Crime Prevention Association. Minnesota has over 120 law enforcement agencies participating in this, and similar programs.

Phase 1 of the program is Management Training. It provides an eight-hour management training class that is sponsored by a law enforcement agency and invites various presenters to cover topics such as: 1) Crime Prevention / Working with Police; 2) Crime Prevention through

**MINUTES

MAY 3, 2018**

Environmental Design Principles; 3) Lease Agreements and Evictions; 4) Applicant screening and fair housing. Phase 2: Crime Prevention Through Environmental Design Survey. This phase is a premise survey using Crime Prevention Through Design principles where a representative from the local police does a security walk around at the rental property to specifically look for weaknesses that could be exploited by a would be burglar. Seven minimum-security requirements are looked at including: 1) Properly trimmed landscaping; 2) Adequate security lighting; 3) Address and unit numbers prominently displayed; 4) Single cylinder dead bolt locks; 5) Heavy duty strike plates; 6) 180 degree eye viewers; 7) Anti-slide and anti-lift devices on sliding doors and windows. Phase 3. Resident Safety Meeting. A resident safety meeting often includes management, residents, and law enforcement in order to create a community partnership. This allows all attendees to speak on a variety of topics that could include; 1) What residents can do in order to reduce crime; 2) How and when to report suspicious behavior; 3) Basic safety overview; 4) And any other topics that are important to your community.

If a property manager or owner completes all three phases then their property will receive full certification that permits them the right to post the Crime Free Multi-Housing sign on their property and advertise membership including printing the official promotion of their property. This certification expires every year unless renewed with promotion of the property. The Minnesota Crime Prevention Association has created a committee which is comprised of members and was formed as an avenue for agencies to come together to learn, discuss issues and ideas, and share what they are doing in their respective cities. The committee meets four times each year. Each meeting is hosted by a different agency and different topics related to rental housing are discussed as each meeting.

It was the consensus that this program provides landlords with information on how to have crime free rental property. Deputy Servatka stated that none of the seven contracting communities require participation in this program. The City of Grand Rapids includes the program in their Ordinance. He stated that he visits rental property to assist both landlords and tenants with maintaining a crime free property. He stated that he would be happy to provide any assistance that he can.

It was noted that Town Ordinance does not include anything about crime. To have crime free information following statutory rules added the Ordinance would have to have an amendment.

Comments and suggestions included:

- Having a video on crime prevention and present it to landlords. The meeting could be held at Heritage Hall. Could this training be required before a rental license is issued?
- Prudhon stated that this training would be good but the property owner needs to be held responsible for fees and cost.
- Could calls for service be built into renewal of rental licenses?
- Property owners should be fined for problem property. As part of a fine the property owner would have to attend a training session.
- Start the program as voluntary but if the property has calls for service make the training mandatory.

**MINUTES
PUBLIC SAFETY COMMISSION MEETING
MAY 3, 2018**

- Need to learn more about the City of St. Paul's system for rental licensing. Review their ordinance to see if it can be eligible for the Township.
- What do we want to achieve?

It was the consensus to ask the Town Attorney for an opinion on use of administrative fees for code violations. The next step is to see if the ordinance can be made tougher to handle problem rentals.

LIAISON REPORT: This agenda item will continue to be included on the agendas of future meetings.

NEXT MEETING DATE / ITEMS FOR DISCUSSION: The next meeting will be Thursday, June 7, 2018. Items for discussion to include: 1) Continued discussion on rental properties; 2) Township Day participation – bike.

OPEN TIME: No one appeared for the open portion of the meeting.

LeBlanc moved to adjourn the meeting at 8:15 p.m. Linn seconded. Ayes all.

Respectfully Submitted,

Joan J. Clemens
Recording Secretary

- 18022078 – On 05/09/18 at 0109 hours, Deputy Werdien II initiated a traffic stop in the area of Edgerton Street and Sunset Court (Little Canada, MN) following a license plate check of the vehicle in front of him. The returned DVS information indicated that the tab on the vehicle in front of him has been expired since February 2016 although it appeared to display February 2018. The driver was identified by MN ID as Jolynn Bourgoin (W/F, 36 YOA) and her driving status was later determined to be suspended. She also had no insurance. Inside of her vehicle were two of her minor children. Upon a closer inspection of the license plate/tabs on Ms. Bourgoin's vehicle, Deputy Werdien II observed that markers were used to off-set the color of the tab so that it is more blue in appearance and the expiration year of "18" was written on the tab with a dark marker. Due to their being no one to care for the two minor children, Deputy Werdien II elected not to book Ms. Bourgoin at the LEC. Instead, he and Deputy Wahlberg then gave them a courtesy ride to their residence in the city of Roseville after he removed the license plates on her vehicle and had it towed to the impound lot of Twin Cities Towing. A report was written and forwarded to the City Attorney's Office for review and consideration of charging Ms. Bourgoin with tax evasion (GM).

Ramsey County squads assisted Roseville with a Robbery at the Holiday Gas Station at 1583 County Road C. An adult male had robbed the store and a gun was implied. Deputy Winkel found some of the suspects clothing behind the Boston Market and the Roseville K9 started a track from that location. The K9 tracked about 30 yards before finding the suspect hiding in some foliage next to a building. Deputy Winkel sprinted the 30 yards to assist Roseville make the apprehension. Truly an excellent job in finding a starting point for the K9 and being instrumental in the felony arrest.

RENTAL HOUSING IN WBT – CONTINUE DISCUSSION: The Township does not have apartments or mobile home parks, however, there are about 200 single family homes and townhomes which are rentals. Of those, five are currently problem properties. One property has frequent police calls. It was noted that problems with renters should lie with the landlords. There was discussion how the Township can provide assistance to the landlords regarding handling problem renters. There are a few rental properties where calls for service from the Sheriff's Office are frequent.

Deputy Mike Servatka provided information on Crime Free Multi-Housing, prepared by the Minnesota Crime Prevention Association. Minnesota has over 120 law enforcement agencies participating in this, and similar programs.

Phase 1 of the program is Management Training. It provides an eight-hour management training class that is sponsored by a law enforcement agency and invites various presenters to cover topics such as: 1) Crime Prevention / Working with Police; 2) Crime Prevention through Environmental Design Principles; 3) Lease Agreements and Evictions; 4) Applicant screening and fair housing. Phase 2: Crime Prevention Through Environmental Design Survey. This phase is a premise survey using Crime Prevention Through Design principles where a representative from the local police does a security walk around at the rental property to specifically look for weaknesses that could be exploited by a would be burglar. Seven minimum-security requirements are looked at including: 1) Properly trimmed landscaping; 2) Adequate security lighting; 3) Address and unit numbers prominently displayed; 4) Single cylinder dead bolt locks; 5) Heavy duty strike plates; 6) 180 degree eye viewers; 7) Anti-slide and anti-lift devices on sliding doors and windows. Phase 3. Resident Safety Meeting. A resident safety meeting often includes management, residents, and law enforcement in order to create a community partnership. This allows all attendees to speak on a variety of topics that could include; 1) What

residents can do in order to reduce crime; 2) How and when to report suspicious behavior; 3) Basic safety overview; 4) And any other topics that are important to your community.

If a property manager or owner completes all three phases then their property will receive full certification that permits them the right to post the Crime Free Multi-Housing sign on their property and advertise membership including printing the official promotion of their property. This certification expires every year unless renewed with promotion of the property. The Minnesota Crime Prevention Association has created a committee which is comprised of members and was formed as an avenue for agencies to come together to learn, discuss issues and ideas, and share what they are doing in their respective cities. The committee meets four times each year. Each meeting is hosted by a different agency and different topics related to rental housing are discussed as each meeting.

It was the consensus that this program provides landlords with information on how to have crime free rental property. Deputy Servatka stated that none of the seven contracting communities require participation in this program. The City of Grand Rapids includes the program in their Ordinance. He stated that he visits rental property to assist both landlords and tenants with maintaining a crime free property. He stated that he would be happy to provide any assistance that he can.

It was noted that Town Ordinance does not include anything about crime. To have crime free information following statutory rules added the Ordinance would have to have an amendment.

Comments and suggestions included:

- Having a video on crime prevention and present it to landlords. The meeting could be held at Heritage Hall. Could this training be required before a rental license is issued?
- Prudhon stated that this training would be good but the property owner needs to be held responsible for fees and cost.
- Could calls for service be built into renewal of rental licenses?
- Property owners should be fined for problem property. As part of a fine the property owner would have to attend a training session.
- Start the program as voluntary but if the property has calls for service make the training mandatory.
- Need to learn more about the City of St. Paul's system for rental licensing. Review their ordinance to see if it can be eligible for the Township.
- What do we want to achieve?

It was the consensus to ask the Town Attorney for an opinion on use of administrative fees for code violations. The next step is to see if the ordinance can be made tougher to handle problem rentals.

ORDINANCE NO. 69

AN ORDINANCE RELATING TO THE SALE, POSSESSION AND USE OF TOBACCO, TOBACCO PRODUCTS, AND TOBACCO RELATED DEVICES IN THE TOWN, AND TO REDUCE THE ILLEGAL SALE, POSSESSION, AND USE OF SUCH ITEMS TO AND BY MINORS IN THE TOWN OF WHITE BEAR, RAMSEY COUNTY, MINNESOTA

THE TOWN BOARD OF SUPERVISORS OF THE TOWN OF WHITE BEAR ORDAINS:

An Ordinance relating to the sale, possession, and use of tobacco, tobacco products, and tobacco related devices in the Town and to reduce the illegal sale, possession, and use of such items to and by minors.

SECTION 1. PURPOSE. Because the Town recognizes that many persons under the age of 18 years purchase or otherwise obtain, possess, and use tobacco, tobacco products, and tobacco related devices, and such sales, possession, and use are violations of both State and Federal laws; and because studies, which the Township hereby accepts and adopts, have shown that most smokers begin smoking before they have reached the age of 18 years and that those persons who reach the age of 18 years without having started smoking are significantly less likely to begin smoking; and because smoking has been shown to be the cause of several serious health problems which subsequently place a financial burden on all levels of government; this Ordinance shall be intended to regulate the sale, possession, and use of tobacco, tobacco products, and tobacco related devices for the purpose of enforcing and furthering existing laws, to protect minors against the serious effects associated with the illegal use of tobacco, tobacco products, and tobacco related devices, and to further the official public policy of the State of Minnesota in regard to preventing young people from starting to smoke as state in Minnesota Statutes, section 144.391.

Self-service merchandising shall not include vending machines.

2-5. VENDING MACHINE. “Vending Machine” shall mean any mechanical, electric or electronic, or other types of device which dispenses tobacco, tobacco products, tobacco related devices, or nicotine delivery products upon the insertion of money, tokens, or other form of payment directly into the machine by the person seeking to purchase the tobacco, tobacco product, tobacco related device, or nicotine delivery products.

Compliance checks shall involve the use of minors as authorized by this Ordinance. Compliance checks shall also mean the use of minors who attempt to purchase tobacco, tobacco products, or tobacco related devices for educational, research and training purposes as authorized by State and Federal laws. SECTION 5. BASIS FOR DENIAL OF LICENSE. The following shall be grounds for denying the issuance or renewal of a license under this Ordinance; however, except as may otherwise be provided by law, the existence of any particular ground for denial does not mean that the Township must deny the license. 5-1. The applicant is under the age of eighteen (18) years.

5-2. The applicant has been convicted within the past five (5) years of any violation of a Federal, State, or local law, ordinance provision, or other regulation relating to tobacco or tobacco products, or tobacco related devices.

SECTION 10. COMPLIANCE CHECKS AND INSPECTIONS. All licensed premises shall be open to inspection by the Township or its authorized inspectors during regular business hours. Subject: Nite to Unite Update

Good Evening,

I am writing as we have a new/old business to discuss at our upcoming meeting.

Below is a summary of what has happened in my endeavors to seek sanitizers and/or money.

- A health care provider will give us **1,000** hand sanitizers for Nite to Unite. The not so great news..... they are **.5 ounces**. This creates a dilemma, as the commission recommended 2 ounces or larger. What would you recommend I say regarding the donation?
- I've obtained \$500 in funding from a local business. This funding will need to be approved by the City Council. This creates a dilemma: If we accept the 1,000 hand sanitizers, what do I say to the business? IF we do not accept the donation and use the \$500, where do we get additional funding?

Thanks for reading and thinking about dilemmas. Please think about what we need to do that will benefit the community and the City of Vadnais Heights in a positive light. Please come prepared to share your ideas at the upcoming meeting.

Thanks

Kathy
