

All newly installed dishwashers after January 23, 2016, must have a plumbing permit with White Bear Township to verify compliance to the below referenced section in the 2015 MN State Plumbing Code. All dishwashers must be installed by a certified licensed plumber or homeowner that currently resides in the home. Please contact Mike Johnson, Building Official either by phone 651-747-2750 or e-mail: [mike.johnson@whitebeartownship.org](mailto:mike.johnson@whitebeartownship.org) if you have any additional questions regarding this requirement.

## DOMESTIC DISHWASHING MACHINE AIR GAP REQUIRED

Minnesota Plumbing Code, Chapter 4714, effective January 23, 2016

**2015 Minnesota Plumbing Code Section 807.4 Domestic Dishwashing Machine.** No domestic dishwashing machine shall be directly connected to a drainage system or food waste disposer without the use of an approved dishwasher air gap fitting on the discharge side of the dishwashing machine. Listed air gaps shall be installed with the flood-level (FL) marking at or above the flood level of the sink or drainboard, whichever is higher.
