Draft

**MINUTES  
PUBLIC SAFETY COMMISSION MEETING  
MAY 2, 2019**

The meeting was called to order at 6:04 p.m.

Present: Anderson, Brueckner, LeBlanc, Linn, Lee, Pozzini-Stedman; Advisor: Christopherson; Town Board Supervisor: McCune.

Absent: Brueckner with notice, Griffin without notice.

**APPROVAL OF AGENDA (Additions/Deletions):** LeBlanc moved approval of the agenda as submitted with the addition of discussion of Fourth Street speeding concerns in coordination with Ramsey County Sheriff Deputy Presentation. Anderson seconded. Ayes all.

**APPROVAL OF MINUTES OF APRIL 4, 2019 (Additions/Deletions):** LeBlanc moved to approve the Minutes of April 4, 2019 with the corrections of LeBlanc's last name spelling and staff to request visit from Ramsey County Sheriff. Anderson seconded. Ayes all.

**CONSENT AGENDA:** LeBlanc moved to receive the Consent Agenda as follows: A) Receive Animal Control Reports; B) Receive Ramsey County Sheriff's Reports; C) Receive Sheriff's Contract Group Minutes; D) Receive White Bear Lake Fire Department Report. Linn seconded. There was discussion of the new administrative positions in accounting and finance department. These changes are why the reports may look different. Ayes all.

**COMMISSIONER'S REPORT:** **Water Meter Replacement** is underway in the Township. The process has been approved, the meters have been purchased, and there has been discussion of storage. The meters are set to be implemented into residents' homes starting on July 1<sup>st</sup> and ending in October. **Water Gremlin** has been monitored closely and has consistently used only chemicals that are of less concern. It has stopped using TCE completely. The air monitoring has been going well, as expected. A group of **Concerned Citizens** has applied to the state to appeal as a stakeholder's group. There is no news on that ruling. **Lake Level Litigation** is moving along in process and the Town will know more in a couple months. The Board may send the DNR Groundwater Regulations to the Utility Commission to look into perhaps tightening some rules. **Pavement Management Plans** will be presented at a neighborhood meeting of the impacted neighborhoods on Tuesday, May 28, 2019. There will be a public hearing on Tuesday, June 4, 2019.

**OLD BUSINESS – TOWNSHIP DAY FESTIVAL:** Since the last meeting, staff determined the best item the Public Safety Commission could choose to auction or raffle off would be an iPad. This technology can tie into the Township's theme of GIS implementation. There was discussion of applications regarding safety, such as the AED locator app. A safety case could be auctioned or raffled off with it. Anderson motioned to approve staff of purchasing an iPad on behalf of the Public Safety Commission to auction or raffle off at the Township Day Festival. Linn seconded. Ayes all.

**RAMSEY COUNTY DEPUTY SHERIFF PRESENTATION:** Deputy Sheriff John Hanks was present to discuss Ramsey County Sheriff's Department news and address any Township concerns the Commission may have. There was discussion on calling sheriff's department verses calling 911. Hanks stated that the Sheriff's Department wants citizens to call 911

**MINUTES  
PUBLIC SAFETY COMMISSION  
MAY 2, 2019**

because there is a non-emergency line and the dispatchers will cancel any emergency medical or fire rescue that isn't necessary. Hankes reported on the new body cameras coming out in July, the differences in training and policies, and the one-time cost verses maintenance. There was discussion of parking complaints.

The Commission brought up the 4<sup>th</sup> Street speeding issue that was to be added to the agenda. Hankes stated he could get a patrol near there around the times of concern to monitor the situation. Hotdog with the deputy and coffee with the deputy are events that the Sheriff's Department looks forward to every year. They enjoy connecting with the public.

**LIAISON REPORTS:** Connie Anderson reported on the White Bear Fire Department hiring a new firefighter and medic. One applicant is currently in Afghanistan and will be back stateside soon. The plan is to hire him as soon as he returns. White Bear Fire Department will be at full capacity at 8 full-time staff and 40 part-time staff.

**NEXT MEETING DATE / ITEMS FOR DISCUSSION:** The next meeting is scheduled for Thursday, June 6, 2019.

**OPEN TIME:** No one appeared for the open portion of the meeting.

**ADDED AGENDA ITEMS:** FYI Items are in the packet.

LeBlanc moved to adjourn the meeting at 7:13 p.m. Anderson seconded. Ayes all.

Respectfully Submitted,

Megan R. Cavanaugh

### VH

- 19018568 - Deputies were dispatched to a man waving a handgun inside the Target Store in Vadnais Heights. Squad's check the area and the phone the complainant called from was GPS'd to 850 County Rd E, but the caller was not located and did not answer return calls. The owner of the phone was identified but not located at this time. A Welfare check was made to Golden Valley Police for the phone owner. The incident is being investigated as a swatting incident at this time, similar to one made to the White Bear Lake Police last week.

### LC

- 19018681 – A traffic stop on County Road B2 East and Canabury Drive (Little Canada, MN) resulted in the driver (Nathanael Johnson, 37 YOA) being arrested for Intent to Evade Motor Vehicle Tax (GM). Mr. Johnson stated that he has owned the vehicle since 2012, vehicle is registered to him, he did not buy tabs for 2018 and 2019, and he currently has no insurance on his vehicle but it was displaying 2019 tabs. Once the tabs were run through NCIC, they came back as being registered to an entirely different vehicle of the same model year. Report by Deputy Wahlberg.

**A motion to approve the agenda was made by Robertson and seconded by Watson. Motion carried.**

**APPROVAL OF MINUTES**

**Motion by Watson and seconded by Robertson to approve the minutes of the March 21, 2019 meeting. Motion Carried.**

**1<sup>st</sup> QUARTER TRAFFIC REPORT**

Casey said that it had been a hard quarter due to the weather. There were a lot of warnings due to lack of lights or snow left on car roofs. There will be increased crosswalk enforcement. He expects that construction will push a lot of traffic on to side streets this summer. He thinks that the traffic signals on Highway 96 are well timed. He expects that weight limits will come off in the next two weeks.

**PRELIMINARY RECONCILIATION AMOUNTS**

Ramacher introduced the new accountant Mike Webster. He said because there have been four accountants in the last two years that budgeting has been done very conservatively and there is a sizeable surplus. Sheriff Fletcher said that when the cities authorize spending he wants to provide the services they have requested so he doesn't think this kind of surplus will happen again. One of the

issues was how to treat the state funds for pensions since Falcon Heights joined last year. Consensus was to include Falcon Heights in the State aid formula. Sack owes everyone lunch.

Ramacher had the following suggestions he wanted the cities to consider for the surplus.

- Supplemental Traffic Deputy. Retired Deputy Kevin Otto would be hired on a temporary contract from May to November to do speed enforcement; distracted driving enforcement; and hands-free enforcement.
- External AED's. Many of the existing AED's in squad cars are out of date and he would like to replace them.
- Ballistic Tactical Shields. They only have a few shields now that will stop a rifle bullet. He would like to buy 8 more.
- Body Cams. Sheriff Fletcher said the County Board will be using levy funds of approximately \$1M to fund the equipment and he would like \$100,000 from the contract communities to fund the licensing and CAD fees and the data usage. Sheriff Fletcher will hold a community meeting on body cams on Tuesday, April 30 at the Vadnais Heights Commons, time to be determined.

The cities asked how soon decisions needed to be made on these issues. Ramacher said only the Supplemental Traffic Deputy needed a decision today. Sheriff Fletcher said he would like a decision on the body cams by June.

**Robertson moved, seconded by Schwerm, to approve the Supplemental Traffic Cop. Motion carried 5-1, Perrault voting no.**

### VIPS UPDATE

Yochim discussed Coffee with a Cop; Hot Dog with a Deputy; Theft from Auto Details; Speed Details; and Park Watch Details.

### LONG RANGE PLANNING (NEEDS AND PRIORITIES)

Ramacher said that he anticipates a need for another investigator next year.

### RCSO UPDATE

They are looking for an alternative hearing officer as former judge Harry Crump is reducing his availability. Former White Bear Town Administrator Bill Short was suggested which met with near universal approval.

Waldo said there was a group going around entering city halls and taping people at the front desk and trying to get a rise out of people.

**NEW BUSINESS – TOBACCO 21:** Katie Engman advised the Sheriff's Contract Group on March 14, 2019 that there is funding available to the Contract Communities that will allow them to perform educational tobacco compliance checks to help further educate the vendors. Of the 7 communities that are involved in the Contract Group, 4 to 5 of them are looking to implement Tobacco 21. If the board wishes to have the additional educational compliance checks performed the cost to the Township would be \$10.00 per vendor for the following vendors: White Bear Township Holiday, 1150 County Road J; Cub Foods, 1059 Meadowlands Drive; Holiday Stationstores, 5970 Highway 61; Bald Eagle Investments, 5960 Highway 61.

If the Board wishes to amend the Township's Tobacco Ordinance, Engman could provide the Town with a model from which to work from the potential changes such as: Prohibiting the sale to anyone under 21, restricting the sale of flavored tobacco products, updating current tobacco product language.

There was discussion of waiting to see how White Bear Lake handles this agenda item. There was discussion of the state regulation moving through the legislation regarding Tobacco 21, HF331. Economic impact, PR among the communities, and other factors were also discussed.

Linn made the motion to recommend to the Town Board to follow the progress of HF331 until it reaches its ultimate end, upon which time the Commission will render a recommendation. Anderson seconded. Ayes all.

Anderson made the motion to recommend participating in the proposed educational compliance checks for the \$10 per vendor, since last year the Township was at 100% compliance with its vendors. LeBlanc seconded. Ayes all.

**KATIE ENGMAN – MINNESOTA TOBACCO COALITION PRESENTATION:** Katie Engman, Association for Nonsmokers-Minnesota reported that the association is a coalition of advocates to reduce the tobacco industry's influence. Through coalition efforts they have found that electronic cigarettes and cheap, flavored cigars continue to be a big problem. Flavored tobacco products include cigars, chewing tobacco, blunt wraps, electronic cigarettes and shisha, the tobacco used in hookah. These products help the tobacco industry get around the FDA's 2009 ban of flavored cigarettes. Flavored products are often sold in attractive packaging for a low price. Some cigars are frequently available for less than \$1. Cigars, chewing tobacco, blunt wraps, electronic cigarettes and shisha are sold in fruit, candy, dessert and novelty flavors. Popular flavors include chocolate, pina colada, apple, grape, berry, cotton candy, bubble gum, wintergreen and menthol. The same flavoring used in tobacco products are also used in candy and Kool-Aid drink mixes. These flavorings were often present in higher amounts in tobacco products than in candy. Because of their sweet flavors, low cost and attractive packaging flavored tobacco products are especially appealing to youth. Young people are much more likely to use flavored tobacco products than adults. A recent CDC study found that 42% of middle and high school tobacco users use flavored products. Studies show that young people perceive flavored tobacco products as tasting better and being safer than unflavored products even though they are as dangerous and addictive as cigarettes and particularly harmful to the developing adolescent brain. Evidence suggests that nicotine interferes with brain maturation and can have a long-term effect on cognitive development and mental health.

Flavored tobacco products are a major public health concern because they encourage young people to start using tobacco. While the FDA banned flavored cigarettes other than menthol in 2009, the ban does not affect other tobacco products, many of which are now heavily marketed by the tobacco industry. The use of these products, especially among young people, has spiked. Because the FDA ruling does not prevent local communities from banning other types of flavored tobacco products, state and local governments can adopt laws that restrict the sale of flavored tobacco products within their jurisdiction. Limiting the sale of products, setting a minimum price or creating a minimum pack size are some of the ways communities can protect their youth by making flavored tobacco products less accessible and less appealing.

Nearly 90% of adult smokers began smoking in their teens. The flavoring in these products makes it easier for new, young users to take up tobacco, because the flavoring masks the harshness of the tobacco and enhances the user's pleasure. The tobacco documents from the settlement revealed the "Graduation Theory", a method used by the tobacco industry that aims to secure customer loyalty. This approach implies that new users start with milder tasting and flavored products. They graduate to full-bodied, less flavored items that often contain more nicotine and remain addicted for life.

In Minnesota, the cities of Minneapolis, Saint Paul, Shoreview, Saint Louis Park, Robbinsdale, Duluth, Falcon Heights and Mendota Heights restrict the sale of flavored tobacco products. Minneapolis, Saint Paul, Duluth and Falcon Heights also restrict the sale of menthol tobacco products. Minneapolis, Saint Paul, Bloomington, Brooklyn Center, Richfield, Maplewood and Robbinsdale have set the minimum prices on cheap cigars, many of which are flavored and attractive to youth. New York City and Providence, R.I. passed policies restricting flavored tobacco sales, with the exception of menthol-flavored products. San Francisco and Oakland passed ordinances restricting the sale of all flavored tobacco products, including menthol.

Katie Engman provided samples of the attractive packaging and devices used for smoking e-cigarettes. She stated that pineapple-flavored cigars are cheap and easily accessible to youth. Swisher Sweets

cigarillos come in flavors such as grape, strawberry, and chocolate. Smokeless and spit tobacco are available in flavors such as cherry and wintergreen. Hookah comes in apple martini, chocolate and peanut butter. E-cigarette liquid is known as e-juice.

The tobacco industry heavily targets young adults ages 18-21 in order to recruit new tobacco users and guarantee profits. Approximately 95% of current adult smokers started before they were 21. In Minnesota, no one under 18 years old is allowed to buy tobacco. However, it is less likely that a 16 year old would ask a 21 year old for tobacco. Increasing the age gap between young people and those who can legally buy tobacco will reduce access to tobacco. A report from the Institute of Medicine found that increasing the legal age to purchase tobacco to 21 would decrease smoking initiation among 15-17 year olds by 25 percent. A Minnesota-specific study looked at the impact of raising the tobacco age and found that 25 percent fewer 15 year olds would start smoking by the time they turn 18 and 16 percent fewer 19 year olds would start smoking by the time they turn 18. This translates into 30,000 young people not becoming smokers over the next 15 years. If youth don't smoke by the time they are 21, they likely never will. A 2014 national survey showed that 75% of adults favor increasing the minimum sales age for tobacco to 21. 70 percent of current smokers and 65 percent of those ages 18-24 support raising the minimum tobacco sales age. Minnesota youth tobacco use rose for the first time in 17 years in 2017. While cigarette use decreased, nearly one in five Minnesota high school students currently use e-cigarettes. One in 10 students report current cigar or cigarillo use. Increasing the sales age to 21 would reduce youth access to all harmful tobacco products, including e-cigarettes, cigars and hookah.

California, Hawaii, New Jersey, Maine, and Oregon, along with a growing list of more than 290 cities in the United States, have raised the tobacco sales to 21. Edina became the first Minnesota city to raise the tobacco sales age in 2017. Four cities, St. Louis Park, Bloomington, Plymouth and North Mankato have followed since. The City of Needham, Mass. raised the legal tobacco sales age to 21 in 2005. Within five years, cigarette use among high school students decreased by nearly half.

A survey was done for 7<sup>th</sup>, 9<sup>th</sup> and 11<sup>th</sup> graders. 63% of young users do not realize how much nicotine is in flavored cigars. Nicotine is highly addictive in the youth. Katie Engman stated that the Township is doing well with tobacco compliance.

## MEMORANDUM

TO: TOWN BOARD  
FROM: PATTI WALSTAD  
DATE: MARCH 22, 2019

SUBJECT: TOBACCO AGENDA ITEMS

A. Educational Tobacco Compliance Checks Funding

Katie Engman advised the Sheriff's Contract Group last Thursday that there is funding available to the Contract Communities that will allow them to perform educational tobacco compliance checks to help further educate the vendors. The cost of the compliance checks are \$50.00 per vendor; however grant funding is available to cover most of the cost.

The Township has four tobacco licensed establishments:

- White Bear Township Holiday, 1150 County Road J
- Cub Foods, 1059 Meadowlands Drive
- Holiday Stationstores, 5970 Highway 61
- Bald Eagle Investments, 5960 Highway 61

If the Board wishes to have these additional educational compliance checks performed the cost to the Township would be \$10.00 per vendor for a total of \$40.00.

B. Ordinance Amendments

If the Board wishes to amend the Township's Tobacco Ordinance Katie Engman could provide us with a model from which to work from which could include such changes as:

- Prohibiting the sale to anyone under 21
- Restricting the sale of flavored tobacco products
- Updating current tobacco product language

**Requested Action:**

Provide staff direction as to the above items so that I could coordinate any efforts with Katie Engman.

**Subject:** Funding available: Educational Tobacco Compliance Checks

Good Afternoon,

Great to see all you of you this morning and thank you for the opportunity to connect! Below and attached is additional information around the funding available to do an educational tobacco compliance check to support your enforcement checks.

From our conversation, it sounds like all cities are interested. I will need your federal Tax ID # (41-XXXXXXX), whom you would like the contract sent to at your city and let's verify the number of vendors you currently have. Once I have this, I will get the process started in requesting a contract.

I will bill your city \$10 per vendor for this additional round of educational compliance checks, to help off set the cost of reimbursement for students time. }

Background:

The MN Department of Human Services (DHS), Alcohol and Drug Abuse Division in partnership with the Association for Nonsmokers-MN is once again offering an educational tobacco compliance check opportunity (Congratulate and Educate) to enforcement agencies, public health or law enforcement, in Minnesota. The goal is to educate retailers about the important role they play in keeping Minnesota youth tobacco-free.

These compliance checks are for educational purposes only, and no penalties to the clerk or business owner are permitted. They are designed to supplement the state minimum required enforcement check annually. It is a great opportunity if your community recently updated their tobacco ordinance. These checks present a chance to visit with tobacco vendors, congratulate them for passing or have a conversation about the importance of them not failing a tobacco compliance check.

Departments are reimbursed \$50 per vendor/per educational compliance check. All compliance checks need to be completed by June 30, 2019

If you are interested, I need to know the number of vendors you anticipate doing this educational check with, along with all contact info and Federal Tax ID. Once I have this information, Department of Human Services will get a contract and all supporting materials out to you.

If you have further questions contact me at [katie@ansrmn.org](mailto:katie@ansrmn.org) or Vicki Berg, DHS team Lead/MN FDA Tobacco Program at 651-431-2459.

Again, thank you for all you do in creating a healthy & safe community!

Hi Patti,

First, You wouldn't be the ONLY one. Vadnais Heights hasn't taken the discussion up yet.

Yes, there is model language that I can provide. We have a partnership thus assistance from the Public Health Law Center at Hamline Mitchell. They go through your current ordinance and draft the necessary changes for your team to review.

I can put in a request, know it usually takes about 2-3 weeks to get it back. Do you think your board will want to do changes just around increasing the tobacco sales age to 21? Shoreview and Falcon Heights also restrict the sale of flavored tobacco products. Just want to be clear in the direction I give them.

We can chat via phone if it is helpful.

Looking forward to working with you!  
Katie

Hi Katie, hope all is well.

The Township may be considering amending our tobacco ordinance as it seems that the Township will be the only one in the Sheriff's Contract group that hasn't changed the selling age to 21.

Do you have a sample ordinance that we could work from or do you know if the other contract communities are all uniform in their ordinance.

**ORDINANCE NO. 69**

**AN ORDINANCE RELATING TO THE SALE, POSSESSION AND USE OF TOBACCO, TOBACCO PRODUCTS, AND TOBACCO RELATED DEVICES IN THE TOWN, AND TO REDUCE THE ILLEGAL SALE, POSSESSION, AND USE OF SUCH ITEMS TO AND BY MINORS IN THE TOWN OF WHITE BEAR, RAMSEY COUNTY, MINNESOTA**

**THE TOWN BOARD OF SUPERVISORS OF THE TOWN OF WHITE BEAR ORDAINS:**

An Ordinance relating to the sale, possession, and use of tobacco, tobacco products, and tobacco related devices in the Town and to reduce the illegal sale, possession, and use of such items to and by minors.

**SECTION 1. PURPOSE.** Because the Town recognizes that many persons under the age of 18 years purchase or otherwise obtain, possess, and use tobacco, tobacco products, and tobacco related devices, and such sales, possession, and use are violations of both State and Federal laws; and because studies, which the Township hereby accepts and adopts, have shown that most smokers begin smoking before they have reached the age of 18 years and that those persons who reach the age of 18 years without having started smoking are significantly less likely to begin smoking; and because smoking has been shown to be the cause of several serious health problems which subsequently place a financial burden on all levels of government; this Ordinance shall be intended to regulate the sale, possession, and use of tobacco, tobacco products, and tobacco related devices for the purpose of enforcing and furthering existing laws, to protect minors against the serious effects associated with the illegal use of tobacco, tobacco products, and tobacco related devices, and to further the official public policy of the State of Minnesota in regard to preventing young people from starting to smoke as state in Minnesota Statutes, section 144.391.

**SECTION 2. DEFINITIONS AND INTERPRETATIONS.** Except as may otherwise be provided or clearly implied by context, all terms shall be given their commonly accepted definitions. 5-1. The applicant is under the age of eighteen (18) years.

5-2. The applicant has been convicted within the past five (5) years of any violation of a Federal, State, or local law, ordinance provision, or other regulation relating to tobacco or tobacco products, or tobacco related devices.

**OLD BUSINESS – TOWNSHIP DAY FESTIVAL**: Since the last meeting, staff determined the best item the Public Safety Commission could choose to auction or raffle off would be an iPad. This technology can tie into the Township's theme of GIS implementation. There was discussion of applications regarding safety, such as the AED locator app. A safety case could be auctioned or raffled off with it. Anderson motioned to approve staff of purchasing an iPad on behalf of the Public Safety Commission to auction or raffle off at the Township Day Festival. Linn seconded. Ayes all.

Police Chief Jeff Tate proposed the ordinance at Tuesday night's city council meeting. He said fraud connected to buying gift cards that act like cash has become a widespread problem in the city, and it's draining resources and he thinks causing more fraud.

This affects Visa, MasterCard and American Express gift cards. People can buy them anywhere from gas stations to big box stores. Tate says criminals especially go after these gift cards, and they're bought with cloned credit cards.

"You can get cash quickly. The transactions are largely irreversible, and they can do it quite anonymously," Tate said. "It's a real easy path, especially if you're at a self-checkout, where nobody's really watching you that closely, and not checking how many times you're skimming a card."

(credit: CBS)

The Minnesota Retailers Association opposed the ordinance, saying they would rather try other options before passing this ordinance, they would rather have a more uniform ordinance if there's going to be one, like at the state level. But the city council voted unanimously 4 to 0 to pass the ordinance as written.

"We're not trying to displace businesses, we're just trying to do something for our community, for our residents so that they're protected when they lose their card or have their card stolen," said City Councilmember Jody Brennan. "And it's our obligation to do that."

It is not clear when the ordinance will go into effect, but here's how it would work:

- People won't be able to buy a Visa, Mastercard or American Express gift card in a self-checkout line.
- If they buy one with a credit card, they'll have to show ID. Cash or check will be accepted.

Chief Tate says he doesn't expect this this type of fraud to disappear, but does hope it will be an obstacle.
