Approval of Agenda: March 5, 2020
Approval of Minutes: February 6, 2020

**MINUTES
PUBLIC SAFETY COMMISSION MEETING
FEBRUARY 6, 2020**

The meeting was called to order at 6:00 p.m.

Present: Anderson, LeBlanc, Lee, Linn, Pozzini-Stedman; Town Clerk: Christopherson

Absent: Griffin, without notice; Brueckner and Supervisor McCune with notice

APPROVAL OF AGENDA (Additions/Deletions): LeBlanc moved approval of the agenda as submitted. Linn seconded. Ayes all.

APPROVAL OF MINUTES OF DECEMBER 5, 2019 (Additions/Deletions): LeBlanc moved to approve the Minutes of December 5, 2019. Pozzini-Stedman seconded. Ayes all.

CONSENT AGENDA: LeBlanc moved to receive the Consent Agenda as follows: A) Receive Animal Control Reports; B) Receive Ramsey County Sheriff's Reports; C) Receive Sheriff's Contract Group Minutes. Pozzini-Stedman seconded. Ayes all. There was some discussion on why the Commission still has not received a simpler list of reports specific to the Township. If the Town could receive an excel file, then it could be filtered.

COMMISSIONER'S REPORT: There were none.

LIAISON REPORTS: Anderson was present to report on the White Bear Lake Fire Department's news. They recently ordered a new ladder truck that will arrive in about a year, as it takes a while to build. Six new part-time employees joined staff in 2020. Anderson noted that the White Bear Lake Police Department wouldn't mind attending a Public Safety meeting if the Commissioners wanted.

There was some discussion of the Fire Department's rates for the Township and how that has thrown a possibly pleasant curve ball for the Town's fight to obtain Local Government Aid from the State. There was some minor discussion of LGA and the most recent meeting with the Executive Director of the Association of Townships.

MINUTES
PUBLIC SAFETY COMMISSION
FEBRUARY 6, 2020

REQUEST TO REDUCE SPEED: A request to reduce speed was brought before the Commission regarding Centerville Road heading north past 96. There was some discussion on this agenda item, and the Commission didn't see concern over the speed on that road at this time. There was some discussion on the future goals of that road with the 35 / County Road J interchange. It is proposed in this year's budget to bond for engineers to improve the traffic along the entrance and exit ramps of 35 E, Centerville Road, and County Road J. If any future proposal of these roads are accepted by the state legislature in 2021, the traffic on Centerville will change anyway. There was discussion regarding the proposed changes regarding roundabouts or traffic signals.

TOBACCO 21: The Town Clerk reported to the Commission the new development regarding Tobacco 21: it has been adopted at a County level. And so a North Suburban Tobacco Compliance Project has been distributed among municipalities within Ramsey County about the new restrictions. It was also noted that all municipalities must now pass resolutions regarding the Ramsey County Ordinance. Once the suggested resolution is received by the Township, it will be presented to the Commission to give input and modify if possible, and approve and adopt.

FUTURE MEETING DATES / NEXT MEETING DATES: The next Public Safety Commission Meeting will be held on March 5, 2020 at 6 p.m. The Town Clerk asked the Commission if there was any desire to meet quarterly or bi-monthly as the past meetings haven't been lengthy, perhaps the Commission could combine meetings. The Commissioners' consensus was that they like the meetings the way they are, and that the meetings were notably longer in the past. It was noted that if an agenda was going to be very light, it could be postponed, otherwise the meetings will be left as is.

OPEN TIME: No one appeared for the open portion of the meeting. The Commission discussed ordinances briefly, specifically the ordinance prohibiting draining sump pump water into the street. Technically it is prohibited in the County, but allowed in the Township. There was some discussion over crossover governmental regulation and enforcement: from municipality to county, from county to state, from state to federal.

ADDED AGENDA ITEMS: There were no added agenda items.

LeBlanc moved to adjourn the meeting at 6:46 p.m. Anderson seconded. Ayes all.

Respectfully Submitted,

Megan R. Cavanaugh
Recording Secretary

TOBACCO 21: The Town Clerk reported to the Commission the new development regarding Tobacco 21: it has been adopted at a County level. And so a North Suburban Tobacco Compliance Project has been distributed among municipalities within Ramsey County about the new restrictions. It was also noted that all municipalities must now pass resolutions regarding the Ramsey County Ordinance. Once the suggested resolution is received by the Township, it will be presented to the Commission to give input and modify if possible, and approve and adopt.

Patti,

I hope you are well! Attached are suggested revisions to meet the model language that LMC and PHLC suggest. There are pieces that I would welcome the opportunity to talk through with you. I learned something new today as well.

Let me know if we could set up a call once you have time to look through things.

Hi Katie. Thank you for your request to review the tobacco retail licensing ordinance for White Bear Township to provide sample language and analysis for minimum legal sales age of 21 and minimal updates. Minimal but necessary changes were provided in this review. If further analysis and review is requested, we would be happy to provide additional revisions and sample language for additional public health policies that would provide stronger protections. I have attached the review as both a Word document and a PDF to ensure all the comments and changes are visible.

I should mention that the Public Health Law Center does not lobby, nor does it provide legal representation or advice. However, based on our experiences with regulation of commercial tobacco products throughout the country, we are able to provide you with our observations and other educational information regarding your questions about commercial tobacco control. This information is for educational purposes only; we do not request that a policymaker take any specific action in regard to our comments, nor should our comments be considered a replacement for legal advice. If you require a legal opinion, we encourage you to consult with local legal counsel. That said, we hope that our comments and suggestions are helpful to you.

Please let me know if you would like to hold a call to discuss specifics.

Have a nice weekend!

ORDINANCE NO. 69

AN ORDINANCE RELATING TO THE SALE, ~~POSSESSION AND USE~~ OF TOBACCO, ~~TOBACCO PRODUCTS~~ ~~NICOTINE OR LOBELIA DELIVERY PRODUCTS~~, ~~ELECTRONIC DELIVERY DEVICES~~, AND ~~TOBACCO--RELATED DEVICES~~ IN THE TOWN, AND TO REDUCE THE ILLEGAL SALE, ~~POSSESSION, AND USE~~ OF SUCH ITEMS TO ~~AND BY MINORS~~ PERSONS UNDER AGE 21 IN THE TOWN OF WHITE BEAR, RAMSEY COUNTY, MINNESOTA

Commented [PHLC1]: It was requested that the White Bear Township tobacco licensing ordinance be reviewed to provide sample language and analysis for minimum legal sales age of 21 and minimal updates. Minimal but necessary changes were provided in this review. If further analysis and review is requested, we would be happy to provide additional revisions and sample language for additional public health policies that would provide stronger protections.

THE TOWN BOARD OF SUPERVISORS OF THE TOWN OF WHITE BEAR ORDAINS:

An Ordinance relating to the sale, ~~possession, and use~~ of tobacco, tobacco products, nicotine or lobelia delivery products, electronic delivery devices, and tobacco-related devices ~~tobacco, tobacco products, and tobacco-related devices~~ in the Town and to reduce the illegal sale, ~~possession, and use~~ of such items to persons under the age of 21 ~~and by minors~~.

SECTION 1. PURPOSE AND FINDINGS. Because the Town recognizes that the sale of commercial tobacco, tobacco-related devices, electronic delivery devices, and nicotine or lobelia delivery products to persons under the age of under the age of 21 violates federal law; and because studies, which the town accepts and adopts, have shown that youth use of any commercial tobacco product has increased to 26.4% in Minnesota; and because nearly 90% of smokers begin smoking before they have reached the age of 18 years, and that almost no one starts smoking after age 25; and because studies show that youth and young adults are especially susceptible to commercial tobacco product availability, advertising, and price promotions at tobacco retail environments; and because commercial tobacco use has been shown to be the cause of many serious health problems which subsequently place a financial burden on all levels of government, this ordinance is intended to regulate the sale of commercial tobacco, tobacco-related devices, electronic delivery devices, and nicotine or lobelia delivery products for the purpose of enforcing and furthering existing laws, to protect youth and young adults against the serious health effects associated with use and initiation, and to further the official public policy of the state to prevent young people from starting to smoke, as stated in Minn. Stat. § 144.391, as it may be amended from time to time.

In making these findings, the Town Board of Supervisors accepts the conclusions and recommendations of: the U.S. Surgeon General reports, *E-cigarette Use Among Youth and Young Adults* (2016), *The Health Consequences of Smoking — 50 Years of Progress* (2014) and *Preventing Tobacco Use Among Youth and Young Adults* (2012); the Centers for Disease Control and Prevention in their studies, *Tobacco Use Among Middle and High School Students — United States, 2011–2015* (2016), and *Selected Cigarette Smoking Initiation and Quitting Behaviors Among High School Students, United States, 1997* (1998); and of the following scholars in these scientific journals: Chen, J., & Millar, W. ~~Because the Town recognizes that many persons under the age of 18 years purchase or otherwise obtain, possess, and use tobacco, tobacco products, and tobacco-related devices, and such sales, possession, and use are violations of both State and Federal laws; and because studies, which the Township hereby accepts and adopts, have shown that most smokers begin smoking before they have reached the age of 18 years and that those persons who reach the age of 18 years without having started smoking are significantly less likely to begin smoking; and because smoking has been shown to be the cause of several serious health problems which subsequently place a financial burden on all levels of government; this Ordinance shall be intended to regulate the sale, possession, and use of tobacco, tobacco products, and tobacco related devices for the purpose of enforcing and furthering existing laws, to protect minors against the serious effects associated with the illegal use of tobacco, tobacco products, and tobacco-related devices, and to further the official public policy of the State of Minnesota in regard to preventing young people from starting to smoke as state in Minnesota Statutes, section 144.391.~~

SECTION 2. DEFINITIONS AND INTERPRETATIONS. Except as may otherwise be provided or clearly implied by context, all terms shall be given their commonly accepted definitions. The singular shall include the plural and the plural shall include the singular. The masculine shall include the feminine and the neuter, and vice-versa. The term “shall” means mandatory and the term “may” mean permissive. The following terms shall have the definitions given to them:

Commented [PHLC2]: For readability, definitions should be put into alphabetical order.

2-1. ~~TOBACCO OR TOBACCO PRODUCTS.~~ ~~“Tobacco” or “Tobacco products” shall mean Any product containing, made, or derived from tobacco that is intended for human consumption, whether chewed, smoked, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, or any component, part, or accessory of a tobacco product including but not limited to cigarettes; cigars; cheroots; stogies; perique; granulated, plug cut, crimp cut, ready rubbed, and other smoking tobacco; snuff; snuff flour; cavendish; plug and twist tobacco; fine cut and other chewing tobaccos; shorts; refuse scraps, clippings, cuttings and sweepings of tobacco; and other kinds and forms of tobacco. TOBACCO does not include any product that has been approved by the U.S. Food and Drug Administration for sale as a tobacco-cessation product, as a tobacco-dependence product, or for other medical purposes, and is being marketed and sold solely for such an approved purpose.~~

Commented [PHLC3]: Definitions should define a single term.

~~any substance or item containing, made, or derived from tobacco that is intended for human consumption, whether chewed, smoked, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, or any component, part, or accessory of a tobacco product, including, but not limited to, cigarettes; cigars; little cigars; pipe tobacco; snuff; fine cut or other chewing tobacco; cheroots; stogies, perique; granulated, plug cut, crimp cut, ready rubbed, and other smoking tobacco; snuff, snuff flour; cavendish; shorts; plug and twist tobaccos; dipping tobaccos; refuse scraps, clippings, cuttings, and sweepings of tobacco and other kinds and forms of tobacco leaf prepared in such manner as to be suitable for chewing, sniffing, or smoking. Tobacco or tobacco products excludes any tobacco product that has been approved by the United States Food and Drug Administration for sale as a tobacco cessation product, as a tobacco dependence product, or for other medical purposes, and is being marketed and sold solely for such an approved purpose.~~

2-2. TOBACCO RELATED DEVICES. “Tobacco-related devices” means any rolling papers, wraps, pipes, or other device intentionally designed or intended to be used with tobacco products. tobacco-related device includes components of tobacco-related devices or tobacco products, which may be marketed or sold separately. tobacco-related devices may or may not contain tobacco.~~“Tobacco-related devices” shall mean any tobacco product as well as a pipe, rolling papers, ash tray, or other device intentionally designed or intended to be used in a manner which enables the chewing, sniffing, or smoking of tobacco or tobacco products.~~

Commented [PHLC4]: This is an updated and more comprehensive definition that covers all intended tobacco-related devices.

2-3. NICOTINE OR LOBELIA DELIVERY PRODUCTS. “Nicotine or lobelia delivery products” shall mean Any product containing or delivering nicotine or lobelia intended for human consumption, or any part of such a product, that is not a tobacco or an electronic delivery device as defined in this section. nicotine or lobelia delivery product does not include any product that has been approved or otherwise certified for legal sale by the U.S. Food and Drug Administration as a tobacco-cessation product, a tobacco-dependence product, or for other medical purposes, and is being marketed and sold solely for that approved purpose.~~a product containing or delivering nicotine or lobelia intended for human consumption that is not tobacco or tobacco related devices as defined by sections 2-2 and 2-3 of this ordinance. Exemption: Not including any product that has been approved or otherwise certified for legal sale by the United States Food and Drug Administration for tobacco use cessation, harm reduction, or for another medical purposes, and is being marketed and sold solely for that approved purpose.~~

Commented [PHLC5]: This reflects the definition in state law.

2-4. SELF-SERVICE DISPLAYMERCHANDISING. “Self-service merchandisingdisplay” shall mean the open display of licensed products in any manner where any person has access to the licensed products without the assistance or intervention of the licensee or the licensee’s employee.~~open display of tobacco, tobacco products, tobacco related devices, lobelia or nicotine delivery products in any manner where any person shall have access to the tobacco, tobacco products, tobacco related devices, lobelia, or nicotine delivery product without the assistance or intervention of the licensee or the licensee’s employee. The assistance or intervention shall entail the actual physical exchange of the tobacco, tobacco product, tobacco~~

Commented [PHLC6]: This is a more straightforward definition and updates the terminology used.

~~related device, lobelia, or nicotine delivery products between the customer and the licensee or employee. Self-service merchandising shall not include vending machines.~~

2-5. VENDING MACHINE. "Vending Machine" shall mean any mechanical, electric or electronic, or other types of device which dispenses ~~tobacco, tobacco products, tobacco related devices, or nicotine delivery products~~ licensed products upon the insertion of money, tokens, or other form of payment directly into the machine by the person seeking to purchase the ~~tobacco, tobacco product, tobacco related device, or nicotine delivery products~~ licensed products.

~~**2-6. INDIVIDUALLY PACKAGED.** "Individually Packaged" shall mean the practice of selling any tobacco, tobacco product, or nicotine delivery product wrapped individually for sale. Individually wrapped tobacco, tobacco products and nicotine delivery products shall include, but not be limited to, single cigarette packs, single bags or cans of loose tobacco in any form, single cans or other packaging of snuff or chewing tobacco, nicotine based electronic cigarettes and lobelia based electronic cigarettes. Cartons or other packaging containing more than a single pack or other container as described in this section shall not be considered individually packaged.~~

Commented [PHLC7]: This definition is unnecessary. The only place this term arises is within the definition of "loosies" where it is already clear how that term applies.

2-6.7. LOOSIES. "Loosies" shall mean the common term used to refer to single cigarettes, cigars, and any other licensed product that have been removed from their original retail packaging and offered for sale. Loosies does not include premium cigars that are hand-constructed, have a wrapper made entirely from whole tobacco leaf, and have a filler and binder made entirely of tobacco, except for adhesives or other materials used to maintain size, texture, or flavor.

~~the common term used to refer to a single or individually packed cigarette, or any other tobacco product that has been removed from its packaging and sold individually. The term "loosies" does not include individual cigars with a retail price, before any sales taxes, of more than \$2.00 per cigar.~~

Commented [PHLC8]: Federal law and the MSA prohibits the sale of single cigarettes (commonly referred to as "loosies"), but not other harmful commercial tobacco products often sold individually and for a low price. State and local governments can replicate and expand the federal provisions to close the loopholes that exist. This language includes and expands on the existing federal ban on the sale of single cigarettes known as "loosies" to include the sale of single cigars and other tobacco products (e.g., smokeless pouches and Juul pods) that have been removed from their intended packaging. So essentially, with this definition and the prohibition on the sale of loosies (included later in the ordinance) the sale of any tobacco product that has been removed from its original packaging is prohibited. The Town may also establish a minimum price for cigars by including the language setting a minimum price of single cigars that are in original packaging but marketed to price sensitive youth (e.g., 99-cent flavored cigar pack containing 1 or 2 cigars). Language can be provided by PHLC if the Town would like to consider a minimum price for cigars.

~~**2-8. MINOR.** "Minor" shall mean any natural person who has not yet reached the age of eighteen (18) years.~~

2-7. SMOKING. "Smoking" means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, or pipe, or any other lighted or heated product containing, made, or derived from nicotine, tobacco, marijuana, or other plant, whether natural or synthetic, that is intended for inhalation. Smoking also includes carrying or using an activated electronic delivery device.

Commented [PHLC9]: Definition not necessary with T21.

2-8.9. RETAIL ESTABLISHMENT. "Retail Establishment" shall mean any place of business where ~~tobacco, tobacco products, or tobacco related devices~~ licensed products are available for sale to the general public. Retail establishments shall include, but not be limited to, grocery stores, convenience stores, and restaurants.

Commented [PHLC10]: There was no definition of smoking, but smoking is prohibited below within all tobacco retail establishments so should be clearly defined.

2-910. MOVABLE PLACE OF BUSINESS. “Movable Place of Business” shall refer to any form of business operated out of a kiosk, truck, van, automobile, or other type of vehicle or transportable shelter and not a fixed address store front or other permanent type of structure authorized for sales transactions.

2-101. SALE. A “Sale” shall mean any transfer of goods for money, trade, barter, or other consideration.

2-112. COMPLIANCE CHECKS. “Compliance Checks” shall mean the system the Town uses to investigate and ensure that those authorized to sell ~~tobacco, tobacco products, and tobacco-related devices~~ licensed products are following and complying with the requirements of this Ordinance. Compliance checks shall involve the use of ~~minors~~ persons under the age of 21 as authorized by this Ordinance. Compliance checks shall also mean the use of ~~persons under the age of 21 minors~~ persons who attempt to purchase ~~tobacco, tobacco products, or tobacco-related devices~~ licensed products for educational, research and training purposes as authorized by State and Federal laws. Compliance checks may also be conducted by other units of government for the purpose of enforcing appropriate Federal, State, or local laws and regulations relating to ~~tobacco, tobacco products, and tobacco-related devices~~ licensed products.

2-123. INDOOR AREA. All space between a floor and a ceiling that is bounded by walls, doorways or windows, whether open or closed, covering more than 50 percent of the combined surface area of the vertical planes constituting the perimeter of the area. A wall includes any retractable divider, garage door, or other physical barrier, whether temporary or permanent.

2-13. LICENSED PRODUCTS. “Licensed products” is the term that collectively refers to any tobacco, tobacco-related device, electronic delivery device, or nicotine or lobelia delivery product.

2-14. ELECTRONIC DELIVERY DEVICE. “Electronic delivery device” means any product containing or delivering nicotine, lobelia, or any other substance, whether natural or synthetic, intended for human consumption through the inhalation of aerosol or vapor from the product. Electronic delivery device includes, but is not limited to, devices manufactured, marketed, or sold as e-cigarettes, e-cigars, e-pipes, vape pens, mods, tank systems, or under any other product name or descriptor. Electronic delivery device includes any component part of a product, whether or not marketed or sold separately. Electronic delivery device does not include any product that has been approved or certified by the U.S. Food and Drug Administration for sale as a tobacco-cessation product, as a tobacco-dependence product, or for other medical purposes, and is marketed and sold for such an approved purpose.

2-15. CIGAR. “Cigar: means any roll of tobacco that is wrapped in tobacco leaf or in any other substance containing tobacco, with or without a tip or mouthpiece, which is not a cigarette as defined in Minn. Stat. § 297F.01, subd. 3, as may be amended from time to time.

Commented [PHLC11]: The Town may consider adding a new definition as an “umbrella” or catch-all term that includes all of the tobacco products covered in the ordinance (tobacco, tobacco related devices, electronic delivery devices, and nicotine or lobelia delivery products). One umbrella term other jurisdictions have used is “licensed products.” This allows for simplification throughout the ordinance. Here and throughout the rest of the ordinance, instead of listing all covered products, the code need only reference “licensed products.”

Commented [PHLC12]: There was no definition of electronic delivery device.

Commented [PHLC13]: There was no definition of cigar.

SECTION 3. LICENSE. No person shall sell or offer to sell any ~~tobacco, tobacco products, or tobacco-related devices~~ licensed products without first having obtained a license to do so from the Township.

Section 3A3-1. SMOKING. Smoking shall not be permitted and no person shall smoke within the indoor area of any establishment with a retail tobacco license. Smoking for the purposes of sampling ~~tobacco and tobacco-related~~ licensed products is prohibited.

Section 3-2B. PROXIMITY TO OTHER RETAILERS. No license shall be granted pursuant to this section to any person for any retail sales of ~~tobacco, tobacco products, tobacco related devices, or nicotine or lobelia delivery devices~~ licensed products, within two thousand feet of any other establishment holding such license, as measured by the shortest line between the space to be occupied by the proposed licensee and the occupied space of the nearest existing licensee, unless that person has been in the business of selling such products in that ~~3~~ location before the date this section was enacted into law for at least one year ~~and that location has not failed to renew its license.~~

Commented [PHLC14]: Changed format here to fit the numbering format used throughout the ordinance.

Commented [PHLC15]: This could be updated to reflect one year from the actual date this ordinance was adopted.

Commented [PHLC16]: This language could be added to ensure the license was continuously held during this time.

3-31. APPLICATION. An application for a license to sell ~~tobacco, tobacco products, or tobacco-related devices~~ licensed products shall be made on a form provided by the Township. The application shall contain the full name of the applicant, the applicant's residential and business addresses and telephone numbers, the name of the business for which the license is sought, and any additional information the Township deems necessary. Upon receipt of a completed application, the Town Clerk shall forward the application to the Town Board for action at their next regularly scheduled meeting. If the Town Clerk shall determine that an application is incomplete, he shall return the application to the applicant with notice of the information necessary to make the application complete.

3-42. ACTION. The Town Board may either approve or deny the license, or it may delay action for such reasonable period of time as necessary to complete any investigation of the application or the applicant, as it deems necessary.

3-53. TERM. All licenses issued under this Ordinance shall expire on December 31st of the year issued.

3-64. REVOCATION OR SUSPENSION. Any license issued under this Ordinance may be revoked or suspended as provided in the Violations Penalties section of this Ordinance.

3-75. TRANSFERS. All licenses issued under this Ordinance shall be valid only on the premises for which the license was issued and only for the person to whom the license was issued. No transfer of any license to another location or person shall be valid ~~without the prior approval of the Town Board.~~

Commented [PHLC17]: All licenses should be treated the same and require that all licensees undergo the full application process. The sentence allowing the board discretion in granting a license transfer would undermine the application process and necessary investigations to ensure the applicant meets all criteria.

3-86. MOVABLE PLACE OF BUSINESS. No license shall be issued to a moveable place of business. Only fixed location businesses shall be eligible to be licensed under this Ordinance.

3-97. DISPLAY. All licenses shall be posted and displayed in plain view of the general public on the licensed premise.

3-108. RENEWALS. The renewal of a license issued under this section shall be handled in the same manner as the original application. The request for a renewal shall be made at least thirty (30) days, but no more than sixty (60) days before the expiration of the current license. The issuance of a license under this Ordinance shall be considered a privilege and not an absolute right of the applicant, and shall not entitle the holder to an automatic renewal of the license.

SECTION 4. FEES. No license shall be issued under this Ordinance until the appropriate license fees shall be paid in full. The fees for this license are as set forth in Ordinance No. 54 (Fees & Charges).

Commented [PHLC18]: Fees provide revenue for the administration and enforcement of the ordinance and for retailer and community education. Periodic review and adjustment of licensing fees will ensure that they are sufficient to cover all administration, implementation, and enforcement costs, including compliance checks. If the Town is considering multiple compliance checks, the fees should be adjusted to cover the costs of the additional checks. PHLC's publication, [Retail License Fees](#), provides more information about retail licensing fees and a license fee checklist.

SECTION 5. BASIS FOR DENIAL OF LICENSE. The following shall be grounds for denying the issuance or renewal of a license under this Ordinance; however, except as may otherwise be provided by law, the existence of any particular ground for denial does not mean that the Township must deny the license. If a license is mistakenly issued or renewed to a person, it shall be revoked upon the discovery that the person was ineligible for the license under this section.

5-1. The applicant is under the age of ~~eighteen-twenty-one (1821)~~ years.

5-2. The applicant has been convicted within the past five (5) years of any violation of a Federal, State, or local law, ordinance provision, or other regulation relating to ~~tobacco or tobacco products, or tobacco-related devices~~ licensed products.

5-3. The applicant has had a license to sell ~~tobacco, tobacco products, or tobacco related devices~~ licensed products revoked within the preceding twelve months of the date of application.

5-4. The applicant fails to provide any information required on the application, or provides false or misleading information.

5-5. The applicant is prohibited by Federal, State or other local law, ordinance, or other regulation, from holding such a license.

SECTION 6. PROHIBITED SALES.

6-1. IN GENERAL. It shall be a violation of this Ordinance for any person to sell or offer to sell any ~~tobacco, tobacco product, tobacco related device, or nicotine delivery product~~ licensed product:

~~6-1. To any person under the age of eighteen (18).~~

Commented [PHLC19]: This minimum legal sales age is moved to its own paragraph to allow inclusion of specific language to direct age verification and signage requirements, which assist with compliance.

~~6-1-12.~~ By means of any type of vending machine, ~~except as may otherwise be provided in this Ordinance.~~

~~6-1-24.~~ By means of loosies as defined in Section 2 of this Ordinance.

~~6-1-35.~~ Containing opium, morphine, jimson weed, bella donna, strychnos, cocaine, marijuana, or other deleterious, hallucinogenic, toxic, or controlled substances except nicotine and other substances found naturally in tobacco or added as part of an otherwise lawful manufacturing process.

~~6-1-46.~~ By any other means, to any other person, or in any other manner or form prohibited by Federal, State or other local law, ordinance provisions, or other regulation.

~~6-2. LEGAL AGE. No person shall sell any licensed product to any person under the age of 21.~~

~~6-2-1. AGE VERIFICATION. Licensees must verify by means of government-issued photographic identification that the purchaser is at least 21 years of age. Verification is not required for a person over the age of 30. That the person appeared to be 30 years of age or older does not constitute a defense to a violation of this subsection.~~

~~6-2-2. SIGNAGE. Notice of the legal sales age and age verification requirement must be posted prominently and in plain view at all times at each location where licensed products are offered for sale. The required signage, which will be provided to the licensee by the town, must be posted in a manner that is clearly visible to anyone who is or is considering making a purchase.~~

~~SECTION 7. VENDING MACHINES. It shall be unlawful for any person licensed under this Ordinance to allow the sale of tobacco, tobacco products, or tobacco-related devices by the means of a vending machine.~~

Commented [PHLC20]: This section is not necessary because vending sales is prohibited in the previous section.

~~6-3. SECTION 8. SELF-SERVICE SALES.~~ It shall be unlawful for a licensee under this Ordinance to allow the sale of ~~tobacco, tobacco product, or tobacco related devices licensed products~~ by any means whereby the customer may have access to such items without having to request the item from the licensee or the licensee's employee and whereby there is not a physical exchange of the ~~tobacco, tobacco product, or the tobacco related device licensed product~~ between the licensee or his or her clerk and the customer. All ~~tobacco, tobacco products, and tobacco related devices licensed products~~ shall either be stored behind a counter or other area not freely accessible to customers, or in a case or other storage unit nor left open and accessible to the general public.

~~Any retailer selling tobacco, tobacco products, or tobacco related devices at the time this Ordinance is adopted shall comply with this Section within thirty (30) days.~~

Commented [PHLC21]: Sentence no longer needed since earlier ordinance with this provision was adopted 7 years ago.

SECTION 79. RESPONSIBILITY. All licensees under this Ordinance shall be responsible for the actions of their employees in regard to the sale of ~~tobacco, tobacco products, or tobacco related devices~~ licensed products on the licensed premises, and the sale of such an item by an employee shall be considered a sale by the license holder. Nothing in this section shall be construed as prohibiting the Township from also subjecting the clerk to whatever penalties are appropriate under this Ordinance, State or Federal law, or other applicable law or regulation.

SECTION 810. COMPLIANCE CHECKS AND INSPECTIONS. ~~All licensed premises must be open to inspection by law enforcement or other authorized town officials during regular business hours. From time to time, but at least [twice] per year, the town will conduct compliance checks. In accordance with state law, the town will conduct [at least one compliance check that involves the participation of two persons: one person between the ages of 15 and 17 and one person between the ages of 18 and 20] [at least one compliance check that involves the participation of a person between the ages of 15 and 17 and at least one compliance check that involves the participation of a person between the ages of 18 and 20] to enter licensed premises to attempt to purchase licensed products. Prior written consent is required for any person under the age of 18 to participate in a compliance check. Persons used for the purpose of compliance checks will be supervised by law enforcement or other designated personnel.~~ All licensed premises shall be open to inspection by the Township or its authorized inspectors during regular business hours. From time to time, but a least once per year, the Township shall conduct compliance checks by engaging, with the written consent of their parents or guardians, minors over the age of fifteen (15) years, but less than eighteen (18) years, to enter the licensed premises to attempt to purchase tobacco, tobacco products, or tobacco related devices. Minors used for the purpose of compliance checks shall be supervised by Township designated law enforcement officers or other designated Township personnel. Minors used for compliance checks shall not be guilty of unlawful possession of tobacco, tobacco products, or tobacco related devices when such items are obtained as a part of the compliance check. No minor used in compliance checks shall attempt to use a false identification misrepresenting the minor's age, and all minors lawfully engaged in a compliance check shall answer all questions about the minor's age asked by the licensee or his or her employee and shall produce any identification, if any exists, for which he or she is asked. Nothing in this section shall prohibit compliance checks authorized by State or Federal laws for education, research, or training purposes, or required for the enforcement of a particular State or Federal law.

Commented [PHLC22]: This compliance check language has been updated to reflect checks for a Minnesota jurisdiction that has set the minimum legal sales age to 21. State law requires every local licensing authority to conduct at least one compliance check each year. This state-mandated compliance check "must involve minors over the age of 15, but under the age of 18." Cities with T21 laws can conduct this annual compliance check to both satisfy state law and to enforce its local T21 policy. To do so, a municipality could either conduct at least one compliance check with a person between the ages of 15 and 17 and a person between the ages of 18 and 20, or conduct more than one compliance check — at least one check with a person between the ages of 15 and 17 and at least one additional check with a person between the ages of 18 and 20. Included here, the bracketed language identifies two options that the Town could choose and only one option should be retained in a final licensing ordinance.

SECTION 911. OTHER ~~ILLEGAL~~ PROHIBITED ACTS. Unless otherwise provided, the following acts shall be a violation of this Ordinance.

~~11-1. Illegal sale. It shall be a violation of this Ordinance for any person to sell or otherwise provide any tobacco, tobacco product, tobacco related device, or nicotine delivery product to any minor.~~

Commented [PHLC23]: This is not necessary because sale to underage person is already prohibited above.

~~11-2. ILLEGAL POSSESSION. It shall be a violation of this Ordinance for any minor to have in his or her possession any tobacco, tobacco product, or tobacco related device, or nicotine or lobelia delivery device not approved by the FDA. This section shall not apply to minors lawfully involved in a compliance check.~~

~~11-3. ILLEGAL USE. It shall be a violation of this Ordinance for any minor to smoke, chew, sniff, or otherwise use any tobacco, tobacco product, or tobacco related device~~

~~911-14. PROHIBITED FURNISHING OR PROCUREMENT. It is a violation of this ordinance for any person 21 years of age or older to purchase or otherwise obtain any licensed product on behalf of a person under the age of 21. It is also a violation for any person 21 years of age and older to coerce or attempt to coerce a person under the age of 21 to illegally purchase or attempt to purchase any licensed product.~~

~~ILLEGAL PROCUREMENT. It shall be a violation of this Ordinance for any minor to purchase or attempt to purchase or otherwise obtain any tobacco, tobacco product, or tobacco related device, and it shall be a violation of this Ordinance for any person to purchase or otherwise obtain such items on behalf of a minor. It shall further be a violation for any person to coerce or attempt to coerce a minor to illegally purchase or otherwise obtain or use any tobacco, tobacco product, or tobacco related device. This section shall not apply to minors lawfully involved in a compliance check.~~

~~911-25. USE OF FALSE IDENTIFICATION. It shall be a violation of this Ordinance for any minor person under the age of 21 to attempt to disguise his or her true age by the use of false form of identification, whether the identification is that of another person or one on which the age of the person has been modified or tampered with to represent and age older than the actual age of the person.~~

SECTION 102. VIOLATIONS.

102-1. NOTICE. Upon discovery of a suspected violation, the alleged violator shall be issued, either personally or by mail, a citation that sets forth the alleged violation and which shall inform the alleged violator of his or her right to be heard on the accusation.

102-2. HEARINGS. If a person accused of violating this Ordinance so requests, a hearing shall be scheduled, the time and place of which shall be published and provided to the accused violator.

102-3. HEARING OFFICER. The Town Board shall serve as the hearing officer.

102-4. DECISION. If the Town Board determines that a violation of this Ordinance did occur, that decision, along with the Town Board's reasons for finding a violation and the penalty to be imposed under Section 13 of this Ordinance, shall be recorded in writing, a copy of which shall be provided to the accused violator. Likewise, if the Town Board finds that no violation

Commented [PHLC24]: This removes penalties for youth Purchase/Use/Possession (PUP) but retains penalties for persons over age 21 who furnish or procure on behalf of underage person. The reason for removing penalties for under age persons is that PUP laws may be unlikely to reduce youth smoking significantly. They may undermine other conventional avenues of youth discipline, divert attention from more effective tobacco control strategies, and relieve the tobacco industry of responsibility for its marketing practices. Some communities are concerned that PUP provisions may be enforced inconsistently with respect to youth from certain racial and ethnic groups, resulting in their introduction into the criminal justice system. Nicotine is more addictive than heroin and other drugs. Many public health groups suggest focusing instead on the retailer, especially since this is a licensing code. For these reasons, the City may consider removing these sections which establish penalties for underage violators of the tobacco licensing ordinances. Removal of these provisions puts responsibility on the licensee, seller, or provider of the covered products.

Commented [PHLC25]: For reasons similar to those for removing PUP, the Town may also consider removing the use of false identification provision. If penalties for using false identification are retained, they should be non-criminal, non-monetary penalties to ensure youth are not introduced into the criminal justice system or be burdened with financial penalties they cannot afford.

occurred or finds grounds for not imposing any penalty, such finding shall be recorded and a copy provided to the acquitted accused violator.

102-5. APPEALS. Appeals of any decision made by the Town Board shall be filed at the Ramsey County District Court.

~~**12-6. MISDEMEANOR PROSECUTION.** Nothing in this Section shall prohibit the Town from seeking prosecution as a misdemeanor for any alleged violation of this Ordinance. If the Town elects to seek misdemeanor prosecution, no administrative penalty shall be imposed.~~

Commented [PHLC26]: Misdemeanor prosecution is addressed below in Section 13-4.

102-67. CONTINUED VIOLATION. Each violation, and every day in which a violation occurs or continues, shall constitute a separate offense.

Commented [PHLC27]: If this paragraph remains, it could be amended to remove this sentence which would allow for the Town to pursue BOTH criminal and administrative penalties. Both types of penalties should be an option to provide more incentive for retailers to comply with the law.

SECTION 113. PENALTIES.

~~**113-1. LICENSEES.** Any licensee found to have violated this ordinance, or whose employee violated this ordinance, will be charged an administrative fine of [\$500] for a first violation; [\$750] for a second offense at the same licensed premises within a 36-month period; and [\$1,000] for a third or subsequent offense at the same location within a 36-month period. Upon the third violation, the license will be suspended for a period of not less than [30] consecutive days. Upon a fourth violation within a 36 month period, the license will be revoked. Any licensee found to have violated this Ordinance, or whose employee shall have violated this Ordinance, shall be charged an administrative fee of \$200.00 for a first violation of this Ordinance; \$400.00 for a second violation at the same licensed premises within a twenty four month period; and \$600.00 for a third or subsequent offense at the same location within a twenty four month period. In addition, after the third offense, the license shall be suspended for not less than seven days.~~

Commented [PHLC28]: This penalty language could be updated with longer look-back periods between violations, higher penalties, longer suspension period, and revocation of the license upon a fourth violation. Strong penalties help encourage compliance.

~~**113-2. OTHER INDIVIDUALS.** Other individuals, other than minors persons under age 21 regulated by Section 113-3 of this section, found to be in violation of this Ordinance, shall be charged an administrative fine of \$50.~~

~~**113-3. MINORS PERSONS UNDER THE AGE OF 21.** Persons under the age of 21 who use a false identification to purchase or attempt to purchase licensed products may only be subject to non-criminal, non-monetary civil penalties such as tobacco-related education classes, diversion programs, community services, or another penalty that the town determines to be appropriate. The Town Board of Supervisors will consult with court personnel, educators, parents, children and other interested parties to determine an appropriate penalty for persons under the age of 21 in the town. The penalty may be established by ordinance and amended from time to time.~~

Commented [PHLC29]: This language updates alternative penalties for underage persons who use false identification and is consistent with the goals of removing PUP penalties from the licensing ordinance.

~~Minors found in unlawful possession of, or who unlawfully purchase or attempt to purchase, tobacco, tobacco products, or tobacco related devices, shall be referred to the White Bear Community Counseling Center.~~

~~1113~~-4. **MISDEMEANOR.** Nothing in this Section shall prohibit the Town from seeking prosecution as a misdemeanor for any alleged violation of this Ordinance by a person 21 years of age or older.

Commented [PHLC30]: In accordance with other changes in this ordinance (raising the legal sales age to 21 and addressing the penalty structure) Town could consider adopting these changes which makes the issuance of a criminal penalty optional and at the discretion of the prosecutor or the Town Board of Supervisors instead of mandatory. Criminal penalties may not always be appropriate and this allows for flexibility in determining what rises to a criminal penalty.

SECTION 124. EXCEPTIONS AND DEFENSES. Nothing in this Ordinance shall prevent the providing of tobacco, tobacco products, or tobacco related devices to a ~~minor~~ person under the age of 21 as part of a lawfully recognized religious, spiritual, or cultural ceremony. It shall be an affirmative defense to the violation of this Ordinance for a person to have reasonably relied on proof of age as described by State law.

SECTION 135. SEVERABILITY. Should any section, subdivision, clause or other provision of this Ordinance be held to be invalid by any court of competent jurisdiction, such decision shall not affect the validity of the Ordinance as a whole or any part thereof, other than the part held to be invalid.

SECTION 146. EFFECTIVE DATE. The Ordinance shall take effect and be in force from and after its passage and publication.

Subject: Summit Lane, slow/children sign request

Caution: This email originated outside our organization; please use caution.

Hello,

I'd like to request consideration for a slow/children sign on Summit Lane. There are many children who live on this narrow street, but cars, delivery trucks and even township maintenance trucks are often driving through at speeds that are clearly unsafe. There's a hill at the top of our lane that creates a blind entry for at least one driveway, and there are no sidewalks for pedestrians. I see there's a slow/children sign on the next street over (Hillaire) which made me wonder if there could also be one installed on Summit.

Please let me know if this is something the township would consider doing.

Thank you!
