## DEER HUNT PERMISSION FORM

It is Township policy to allow deer hunting in areas where extreme numbers of deer cause damage to property and endanger the public health and safety. The following are requirements to hunt in White Bear Township:

1. Hunters must have written permission from the landowner where they intend to hunt.
2. Hunters must obey all State and Federal laws.
3. Hunting with bow and arrow only.
4. All hunters must show proof of completing the MN Bow Hunter Education Program.
5. Hunters must receive written permission from the Town Board.
6. Hunters must contact the Ramsey County Sheriff's Department with the date, time and place where they intend to hunt. Phone - 651-767-0640.
7. Hunters must register any deer killed with the Township. (See attached form)

The following information must be provided:

1. Name Joe Mailer  
Address 3967 Lakewood Ave  
White Bear Lake Tw MN 55110  
Phone Home 651-762-8434 Cell 612-269-5620
2. Property owners name and address \_\_\_\_\_  
\_\_\_\_\_  
Property Owners Signature (required) \_\_\_\_\_  
\_\_\_\_\_
3. Date when you intend to hunt 9-19-2020
4. Date when the application will be reviewed by the Town Board \_\_\_\_\_  
\_\_\_\_\_

Joe Mailer has been approved by the Town Board of White Bear Township to bow hunt for deer on property owned by White Bear Township described as follows:

Section 1, Township 30, Range 22, East of Highway 61, South of Benson Airport, and North and East of the Lake Country Preserve Development.

This Permit to hunt is valid only during the following timeframe:

September 15, 2020 – October 6, 2020  
October 12, 2020 – October 27, 2020  
November 2, 2020 – December 31, 2020

Only the person named on this Permit is permitted to hunt on this property. The Permit is non-transferrable.

Dated: August 3, 2020.

BY ORDER OF THE TOWN BOARD OF SUPERVISORS

---

PATRICK CHRISTOPHERSON, Clerk-Treasurer

Harry Kavaloski has been approved by the Town Board of White Bear Township to bow hunt for deer on property owned by White Bear Township described as follows:

Section 1, Township 30, Range 22, East of Highway 61, South of Benson Airport, and North and East of the Lake Country Preserve Development.

This Permit to hunt is valid only during the following timeframe:

September 15, 2020 – October 6, 2020  
October 12, 2020 – October 27, 2020  
November 2, 2020 – December 31, 2020

Only the person named on this Permit is permitted to hunt on this property. The Permit is non-transferrable.

Dated: August 3, 2020.

BY ORDER OF THE TOWN BOARD OF SUPERVISORS

---

PATRICK CHRISTOPHERSON, Clerk-Treasurer

**CONSENT AGENDA:** McCune moved to approve 5A) 2019 Archery Deer Hunt – Approve the 2019 Ramsey County Cooperative Deer Management Implementation Program in the following Areas of White Bear Township: 1. Tamarack Nature Center on October 28-30 & November 18-20; 2. Otter Lake Regional Park on October 11-13 & November 1-3; 3. Poplar Lake County Park on October 11-13 & November 1-3; 4. Benson Airport on October 11-13 & November 1-3. Ruzek seconded. Ayes all.

July 31, 2020

Patrick Christopher, Administrator  
White Bear Township  
1281 Hammond Rd.  
White Bear Township, MN 55110

Mr. Christopher:

Ramsey County Parks & Recreation department requests permission to hold a special archery hunt at Benson Airport, Otter Lake Regional park and Poplar Lake county park within White Bear Township, MN. These hunts are part of a deer herd reduction effort outlined in the Ramsey County Parks & Recreation department 2020 deer management program. The hunt is a cooperative effort to keep the deer herd at a safe and healthy level.

The attached proposed hunt dates highlighted, and deer management program details the conditions under which the requested hunt will be conducted.

Please contact me at (651) 748-2500 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Goodnature".

Michael Goodnature  
Natural Resources Manager

\* Hunts held on State or Municipal land, not on Ramsey County Parkland

**Ramsey County Parks and Recreation Department  
2020 Ramsey County Cooperative Deer Management Program**

The Ramsey County Board of Commissioners, in December of 1999, approved a deer population management plan. Since the approval of the plan, the Ramsey County Parks & Recreation department has implemented an annual deer management program, which includes the use of archery and/or sharp shooting as deer management tools. Annual aerial surveys are conducted during the winter to determine deer herd populations. Locations for deer removal are set from survey and hunter statistic data and management tools can then be chosen to maintain or reduce deer herds. Deer herd populations that exceed the carrying capacity of the land can be detrimental to the overall health of the herd and impact the public through increased auto /deer collisions and the spread of deer ticks that may carry Lyme disease. With guidance given from the Minnesota Department of Natural Resources wildlife management, the deer population goal is 15 -20 deer per square mile of deer habitat in Ramsey County. The 2020 management program was recommended for approval by the Ramsey County Parks Commission on April 8, 2020.

Annual Archery Program

Annual archery hunts are held at county park locations in conjunction with neighboring municipalities to maintain or reduce the deer population. A number of agencies and municipalities are conducting, or planning deer management programs within their jurisdiction, in addition to the management programs on county property. This includes the Arden Hills Army Training Site, H.B. Fuller, and the cities of Little Canada, Maplewood, North Oaks, Shoreview, St. Paul and Roseville. The cities of Gem Lake, Vadnais Heights and White Bear Township still allow archery hunting on private property under certain city criteria.

Ramsey County Parks & Recreation department, in cooperation with the associated municipalities, is proposing to conduct special archery hunts on 8 county properties in the fall of 2020, see Attachment 1. The program will be conducted using special archery hunts during the regular archery season. Participants will be selected through the Metro Bowhunters Resource Base (MBRB), a non-profit organization who coordinates volunteer archers from the general public, and hunts will be restricted to dates established by the Ramsey County Parks & Recreation department. Archers will be allowed to keep the deer shot during the regular season. These hunts are expected to remove approximately 78-123 deer. A total of 89 deer were harvested during the 2019 season, see Attachment 2, which includes the 2019 hunt summary and harvest stats.

Sharp Shooting Program

Firearm sharpshooting can be used to quickly reduce numbers to a safe level in areas where the deer herd has far exceeded the population goal. The Ramsey County Parks & Recreation department used sharpshooting in 2005 as a deer reduction option in conjunction within the cities of Maplewood and St. Paul. In 2014, 2015, and 2016 the Ramsey County Parks & Recreation department aided the city of Maplewood with coordinating sharpshooting on city and county land

in northern sections of Maplewood. In 2017, 2018 and 2019 the city of Maplewood, city of St. Paul and Ramsey County Parks and Recreation department coordinated with the United States Department of Agriculture Animal and Plant Health Inspection Service Wildlife Services for the removal of deer through sharp shooting, within southeastern Ramsey County. The total deer removed through sharp shooting and general locations is listed in the table below:

Location	City	2005	2014	2016	2017	2018	2019
Highwood Ave area	St. Paul / Maplewood	200			64	33	22
Larpenteur / Century area	Maplewood		120	75			
	Annual totals	200	120	75	64	33	22
	Permitted take / Goal	200	120	75	100	75	75

As shown, the 2019 removal efforts did not reach the permitted goal and the 2020 survey data shows that the deer populations within the Highwood ave and Larpenteur ave areas still exceed the population goal. The Ramsey County Parks & Recreation department, in cooperation with the affected municipalities, is proposing to allow sharpshooting on county land for the winter of 2020/2021 in select areas where the amount of deer is between 3 to 10 times the target populations. Currently the areas of interest include locations within the city of Maplewood and city of St. Paul in southeastern Ramsey County, which includes the Highwood and Larpenteur avenue areas.

Aerial Deer Survey

An aerial survey was completed in 2020, with a total of 720 deer observed within the survey boundaries. This is an increase from the 602 deer counted during the last survey completed in 2019. The deer population exceeds the overall goal of 15-20 per square mile of deer habitat in certain areas. See Attachment 3 for aerial survey map.

\* All sites will have two 3-day hunts during October, November or December. They will be Fri-Sun or Mon-Wed.

\*\* These hunts are held on city owned property and approved by their city councils. Ramsey County Parks assists in the hunter management and coordination.

\*\*\* The City of Little Canada holds a special hunt on properties surrounding county open space. This allows them access to Ramsey County property. Ramsey County does not coordinate the hunt.

### **Ramsey County Parks and Recreation Department 2019 Special Archery Deer Hunt Summary**

#### Archery Hunts

Ramsey County Parks and Recreation Department's 20<sup>th</sup> annual special permit archery hunt, in conjunction with St. Paul, Maplewood, Little Canada, Vadnais Heights, Shoreview, and White Bear Township, was a safe and successful season. There were multiple 3-day hunts in October, November, and December within 9 Ramsey County sites. Ramsey County assisted with the hunt coordination on four non-Ramsey County sites, which included the Priory park in Maplewood, Highland Park in St. Paul, land north of Little Pig's Eye Lake owned by the MN DNR and City of St. Paul and Benson Airport in Whit Bear Township.

A total of 89 deer were harvested in 2019, compared to 81 in 2018. The 2019 deer harvest included: 42 adult doe, 5 fawn doe, 35 adult bucks, and 7 fawn bucks (see attached table). The antlerless harvest rate was 61% in 2019, which is a 1% increase from 2018. The overall success rate for the special archery hunts was 56% in Ramsey County; state average for archery is 25%.

Minnesota Bowhunters Resource Base (MBRB) provided 167 archers, including hunt coordinators. No safety problems were reported during any of the hunts. Some park users continued to use the park trails during the hunts, even with "park closed" signage. This is an annual occurrence and archers have adapted to the potential of having park patrons in the hunt areas.
